The Jacksonville Transportation Authority (JTA) is holding a series of public meetings and hearings to provide information and seek public input regarding a proposed new service.

The Bay Street Innovation Corridor (BSIC) will introduce autonomous vehicles, operating in mixed traffic in curbside lanes along Bay Street, for approximately three miles, from Pearl Street to EverBank Stadium. The route will extend West to East through the Jacksonville Urban Core.

All interested persons or groups are encouraged to attend and participate. Public participation is solicited without regard to race, color, religion, gender, age, national origin, disability or familial status. Anyone requiring special accommodations should contact Tsopie Trottie at 904-630-3107 no later than 7 days prior to the meeting. These meetings are ADA accessible.
